17 Initial Public Offer (IPO)

17.1 Purpose

IPO stands for Initial Public Offering. Companies newly listed on the exchanges and registered with the depository can float an IPO, whereby the issue can be made electronically. Also any subsequent issue by a company can be made electronically through this module. Issuer for the company floating an IPO needs to submit the list of all the Beneficiary Owners to CDBL. CDBL then verifies the list and sends a statement of holdings for each of these Beneficiary Owners to the Issuer.

The system here allows to Setup, Modify, Delete and Inquire the Initial Public Offer and also allows submission of allotment file to an Issuer.

17.2 Modes of Operation

IPO can be inquired only in online mode.

17.3 Access Restrictions

Only Issuer can setup an IPO. DP / CDBL can only inquire an IPO.
